RE: Medicaid Coverage of Speech Therapy Procedure Codes 92506, 92507, and 92508

## **Please share this information with professional, clinical, administrative, and billing staff.**

Effective for claims received on April 1, 2011 and after, the units of service for procedure codes 92507 and 92508 are no longer based on minutes. For each treatment encounter, one unit should be billed.

This change is being implemented to achieve compliance with the National Correct Coding Initiative and general coding principles.
