RE: **Medicaid MH/SA Fee Schedules for SFY 2011-2012**

Effective for dates of service on or after July 1, 2011, many of the Nebraska Department of Health and Human Services' reimbursement rates will be reduced due to current state budget requirements.

The Nebraska Medicaid Mental Health/Substance Abuse (MH/SA) Fee Schedule reflects the 2.5% rate reduction included in the State Fiscal Year 2012 budget and is available at the Department of Health and Human Services (DHHS) Medicaid web site:
http://www.dhhs.ne.gov/med/practitioner_fee_schedule.htm.

Physician Primary Care Services were exempted from this rate reduction. Codes incorporated into a Corrective Action Plan for the Centers for Medicare and Medicaid Services (CMS) may vary from the 2.5% reduction due to rate methodology calculations included in that Corrective Action Plan.
