RE: **Community Support Update**

Due to delays in testing for the Community Support code updates, the claims payment system will not be fully operational for Community Support services until July 10, 2011.

Authorizations for services after July 1 should still use the new July 1 codes (H2015-HF and H2015-HE), rates, and units of service.

As per Provider Bulletin 11-19 (dated June 7), the previous procedure codes of H2016-HF and H2016-HE will not pay for any dates of service after June 30, 2011. Providers must use procedure code H2015-HF (Substance Abuse) or H2015-HE (Mental Health) starting with dates of service July 1, 2011.
