RE: ACCESSNebraska Alternate Living arrangement process

Beginning November 19, 2012 ACCESSNebraska implemented a new process for determining initial eligibility for individuals residing in Alternate Living Arrangements. Alternate Living Arrangements include Nursing Homes and Assisted Living facilities. This also includes Adult Waiver and Spousal Impoverishment cases. Specialized workers in the local offices will be responsible for managing these cases from the point of application, or when the initial need is identified, through eligibility determination.

An email box has been created for providers and advocates of those identified as being in an Alternative Living Arrangement to submit questions.

The email address is DHHS.AlternateLiving@nebraska.gov
