RE: Updated Provider Screening and Enrollment Materials

Please share this information with administrative, clinical, and billing staff.

The purpose of this bulletin is to alert providers about the required use of updated versions of provider screening and enrollment materials beginning on October 15, 2015.

Effective October 15, 2015, the Division of Medicaid & Long-Term Care (MLTC) is implementing new versions of the "Service Provider Agreement" (MC-19), "Service Provider Agreement Instructions" (MC-19-I), and "Ownership/Controlling Interest and Convictions Disclosure" (MLTC-62). Old forms received on or after October 15, 2015 **will not be accepted** and will be returned to providers, resulting in enrollment process delays.

Please direct any questions to DHHS.MedicaidProviderEnrollment@nebraska.gov. Questions received may be used to update the Frequently Asked Questions document.

To stay informed as additional project-related information becomes available, providers are strongly encouraged to visit and subscribe to the provider screening and enrollment webpage found at <http://dhhs.ne.gov/medicaid/Pages/Provider-Screening-and-Enrollment.aspx> in order to stay informed as additional project-related information becomes available.
