

Every Woman Matters Program is following the:
2006 American Society for Colposcopy and Cervical
Pathology (ASCCP) Consensus Guidelines for the
Management of Women with Cervical Cytological
Abnormalities

www.asccp.org

[Click above link to view algorithms and read the
article with the guidelines]

Important:

The Every Woman Matters (EWM) Cervical Diagnostic
Enrollment/Follow Up and Treatment Plan form
reflects **allowable EWM reimbursement** based on the
2006 ASCCP Consensus Guidelines and the
Recommendations of the EWM Medical Advisory
Committee.
