**MEN'S HEALTH
WEEK**

June 11-17, 2012
Awareness. Prevention.
Education. Family.

www.menshealthweek.org

The purpose of Men's Health Week is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys.

This week gives health care providers, public policy makers, the media, and individuals an opportunity to encourage men and boys to seek regular medical advice and early treatment for disease and injury.
