

WIC & CSFP Conference

Kearney, NE

April 12 & 13, 2016

This conference will provide an opportunity for professional development, skill building, and networking in the areas of nutrition & health, cultural competency, client services, safety, and monitoring to ensure continued success & growth of healthy families in WIC & CSFP Programs.

It will also provide an opportunity to reflect on and celebrate "Our Journey" from the past to the present, and the future.
