

### **Become a Licensed Emergency Medical Responder**

The American Red Cross Emergency Medical Response Course starts Tuesday April 3, 2012. Tailored to professional rescuers, the course provides comprehensive training that gives participants the knowledge and skills necessary to work as an emergency medical responder to help sustain life, reduce pain and minimize the consequences of injury or sudden illness until more advanced medical personnel take over.

Emergency Medical Responders (First Responders) are a vital part of the EMS (Emergency Medical Services) System. Emergency Medical Responders fill the gap between a basic first aid provider and an Emergency Medical Technician.

Classes run from April 3, 2012 - June 12, 2012 (Tuesdays and Thursdays) from 6:30pm - 9:30pm at the American Red Cross Cornhusker Chapter, 220 Oakcreek Drive, Lincoln, NE 68528.

The American Red Cross Cornhusker Chapter is a licensed Nebraska EMS Training Agency. This course meets the State of Nebraska Emergency Medical Services Training requirements for Emergency Medical Responder. Once you have completed the course and successfully passed the National Registry practical and written examinations, you may submit an application to become licensed in the State of Nebraska.

#### **Course Length:**

60 hours of classroom, skills practice, and skills testing

#### **Participant Expectations:**

**Participants must have a current certification in CPR/AED for the Professional.**

Participants must pass all hands-on practical skills test, and score at least 80% on both midterm and final exams. Any scores below 80% require the student to re-take the test.

Participants will play the role of both victim and care provider as part of the course. Appropriate touch and professional behavior is expected. Any deviation will be considered a breach of professional conduct, resulting in possible removal from the course.

#### **Fee:**

\$400 (Payment in full is due at time of registration) Fee Includes American Red Cross Emergency Medical Response Textbook & Workbook and all necessary training materials.

#### **Certification Received:**

American Red Cross Emergency Medical Response Certification (2 year certification).

American Red Cross CPR/AED for Professional Rescuers and Healthcare Providers Certification (2 year certification).
