

Proxy (Alternate Shopper)

A proxy (alternate shopper) is unrestricted in the number of times they may redeem the checks at the store.

An alternate shopper is limited in the number of times they may pickup checks at the WIC clinic.

- Clients receiving **1 month of checks** may use an alternate shopper **two times every 6 months**.
- Clients receiving **2 months of checks** may use an alternate shopper **once every 6 months**.
- Clients receiving **3 months of checks** may use an alternate shopper **once every 6 months**.

The alternate shopper must have the WIC folder with them to pick up checks at clinic or a valid ID.
