Dear Ms. Bjelland:

The Nebraska State CSBG Office is requesting that NASCSP send the finalized Federal Fiscal Year 2013 Nebraska CSBG IS Access Database to the Office of Community Services. This will help us meet the requirement for submission of Nebraska's Annual Report per IM 137.

Nebraska will submit the Nebraska CSBG State Plan FY2015 and FY2016 by September 1, 2014 per the requirements in IM 137.

Thank you for your help with this requirement. I appreciate that this option is available to states to complete our applications.

Sincerely,

Jennifer Dreibelbis  
CSBG Program Specialist
