PROBLEM CHECKS

In the case of a problem check, these are the steps to follow.

<u>Problem</u>	<u>Action of Vendor</u>
Over Max \$ Amount	Paid via ACH
Missing or unreadable vendor ID stamp	Stamp clearly and redeposit
Stale Date	Not paid by WIC
Missing or altered purchase amount	Send check and receipt to vendor manager

Please remember to include the cash register receipt or an electronic journal entry of the transaction when sending problem WIC checks to your Local Agency WIC Vendor Manager. This will help verify what happened at the point of purchase and assist in review for possible reimbursement. **The cash register receipt or an electronic journal entry is required for all problem WIC checks that are to be reviewed.**

As always, if you have any questions about WIC problem checks or WIC in general, please call your Local Agency WIC Vendor Manager. We are here to help you!
