

Important WIC Update:

- We are moving from “rolling month” checks to “calendar month” checks. Currently, your WIC checks are based on a “rolling month.” For example, your checks may be valid from April 15 to May 15.
- Checks are moving to a “calendar month.” This means that your WIC checks will be valid from the first day of a month to the last day of a month. For example, your checks may be valid from May 1-May 31.

Dates are found in the top right-hand corner of checks

- You will receive your checks PRIOR to the month that they are valid. For example, if you have an appointment scheduled for May 15, you will receive your June checks at the appointment.
- This change will make it easier for you to remember when your WIC checks can be used.
