

Upcoming EMS Training

Central Community College – Columbus

Anyone interested in EMT, EMT Bridge or EMT-Refresher training is encouraged to attend the general organizational meeting noted below. If you absolutely cannot attend the meeting, you must contact the college before the scheduled time and let us know of your interest. College guidelines require that each EMT class have a minimum of 10 students enrolled.

The specific class schedule will be determined at the organizational meeting, so come prepared to discuss your availability.
