## Nebraska: Get Smart About Antibiotics and Antibiotic Resistance

Tuesday, November 29, 2011

presented by

**Mark E. Rupp, MD**

Professor and Chief, Division of Infectious Diseases  
Medical Director, Healthcare Epidemiology  
University of Nebraska Medical Center  
Omaha, Nebraska

Dr. Rupp is a Professor and Chief in the Department of Internal Medicine, Section of Infectious Diseases at the University of Nebraska Medical Center. He is the Medical Director of The Nebraska Medical Center Department of Healthcare Epidemiology and co-Director of the Antimicrobial Stewardship Program.

Dr. Rupp received his medical degree from Baylor College of Medicine, Houston, Texas and holds a B.S. degree in Chemical Engineering from the University of Texas, Austin, Texas. He underwent internship and residency training in Internal Medicine at Virginia Commonwealth University and went on to complete a Fellowship in Infectious Diseases at VCU.

He is a Diplomate, American Board of Internal Medicine, and in the subspecialty area of Infectious Diseases. He is a Fellow of the American College of Physicians (ACP), the Infectious Diseases Society of America (IDSA), and the Society for Hospital Epidemiology of America (SHEA). He is a Past-President of SHEA and is a past president of ASM Division L (Infection Control/Hospital Epidemiology). Dr Rupp has served as a consultant for the US Food and Drug Administration as well as the Centers for Disease Control and Prevention.

### CME CREDIT

The University of Nebraska Medical Center, Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Nebraska Medical Center, Center for Continuing Education designates this live activity for a maximum of *1 AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NOTE: To obtain CME credit, you must go to [www.unmc.edu/cce/getsmart](http://www.unmc.edu/cce/getsmart) after the broadcast to complete the evaluation and print your certificate. THE DEADLINE for obtaining credit for this activity is December 16, 2011.

Tuesday, November 29, 2011

**For your convenience, the very same live telehealth activity will be offered three different times throughout the day on November 29, 2011:**

**7:00-8:00 AM CST**  
**12:15-1:15 PM CST**  
**5:30-6:30 PM CST**

## ORIGINATING TELEHEALTH SITE

Omaha - University of Nebraska Medical Center - Eppley Science Hall

## 9 PRIMARY TELEHEALTH NETWORK SITES:

Norfolk, O'Neill, Columbus, Kearney, Grand Island, Scottsbluff, North Platte, Hastings, and Lincoln

Note: A continental breakfast, lunch, or refreshments will be provided at each of the listed sites. For complete details on all room locations, parking and other information at all sites, visit :

[www.unmc.edu/cce/getsmart](http://www.unmc.edu/cce/getsmart)

## COURSE DESCRIPTION

Antibiotic Resistance has been identified by the Centers for Disease Control and Prevention (CDC) as one of the key microbial threats to health in the U.S..

Smart use of antibiotics is the key to controlling the spread of resistance. Too many types of bacteria have become stronger and less responsive to antibiotic treatment when it is really needed. These antibiotic resistant bacteria can quickly spread to family members, schoolmates and co-workers threatening the community with a new strain of infectious diseases that is more difficult to cure and more expensive to treat."

## LEARNING OBJECTIVES

At the conclusion of this activity the participant should be able to:

- Recognize the clinical significance of antibiotic resistance and the prevalence of several antibiotic resistant organisms.
- Employee better decisions regarding antibiotic use for several common outpatient illnesses including bronchitis, sinusitis, and otitis
- Recognize several ways to make better use of antibiotics in the acute care setting.

## TARGET AUDIENCE

Physicians, Physician Assistants, Nurse Practitioners

## SPONSORSHIP

"Sponsored in part from a grant from the Center for Disease Control and Prevention Epidemiology and Laboratory Capacity (ELC) for Infectious Diseases: Get Smart: Know When Antibiotics Work in the Community through Nebraska DHHS - Division of Public Health"

## REGISTRATION FEE

 [www.unmc.edu/cce](http://www.unmc.edu/cce)

 402-559-5929/877-832-6924  
Available Monday through Friday from 8 AM to 4 PM CST.
