

# Grocery Store Update

## March 2016

### Formula Updates

#### Effective NOW

Enfamil ProSobee & Enfamil AR ready to use, liquid have been **discontinued** in a 32 oz. can. Now available in a 6 pack containing 8 oz. bottles.

Enfamil Infant, Enfamil Gentlease, & Enfamil Nutramigen ready to use, liquid are still available in the 32 oz. size, packaged in a bottle vs. a can. The bottle **will be permitted** on a WIC check that read s“can.”

#### Effective April 1<sup>st</sup>, 2016

Enfamil Infant, Enfamil Gentlease, & Enfamil Nutramigen ready to use, liquid will be available in a 6 pack containing 8 oz. bottles in addition to the 32 oz. bottle. A WIC shopper will either receive checks for the 32 oz. bottle or 6 pack containing 8 oz. bottles. No substitutions will be allowed at the point of purchase. The size & quantity will be listed on the check.

#### Effective June 1<sup>st</sup>, 2016

Similac Expert Care Alimentum Powder will be **discontinued** in the 16 oz. size. It will be replaced by a 12.1 oz. can with a new label. WIC shoppers will start to receive WIC checks with the new 12.1 oz. size in June 2016. More to come on this.
