SUBJECT: Income Exclusion – Filipino Veterans Payments

USDA recently issued new guidance on a new income exclusion for Filipino veterans.

Certain veterans or surviving spouses of veterans, who served in the military of the Philippines during World War II are eligible for a one time payment from the Filipino Veterans Equity Compensation Fund.

Effective immediately any payments received from this fund by applicants or clients are to be excluded from income for WIC eligibility determination.

For questions or assistance in using this exclusion contact me at 308-865-5616
