

Journey WIC Appointment Types:

- **Certification** – New clients applying for WIC; Or previous WIC clients reapplying to WIC that are no longer in a current cert period
- **Recertification** – active clients, renewing their certification (usually in the month that their current certification expires).
- **Add Baby** – Appointment scheduled for certification of new baby and recertification of mom.
- **Midcertification** – Appointment for 6 month old infants in a current cert period, to re-evaluate health and nutrition status
- **Nutrition Ed** – Appointment to provide nutrition & breastfeeding education
- **Check pick up** – Appointment where only checks are provided
