STATE DESIGNATED MEDICAL AND MENTAL HEALTH  
 SHORTAGE AREAS - Statewide Review 2013  
 FOOTNOTES

- (1) For purposes of the financial incentive programs under the Rural Health Systems and Professional Incentive Act (the Act), a physician must be board eligible or board certified in and practice "Family Medicine" in one of the state-designated family medicine shortage areas. A physician assistant must be practicing under the supervision of a physician who is board eligible or board certified in family medicine in one of the family medicine shortage areas to be eligible for financial incentives under the Act.
- (2) For purposes of the financial incentive programs under the Rural Health Systems and Professional Incentive Act (the Act), a physician must be board eligible or board certified in and practice "general internal medicine" in one of the state-designated general internal medicine shortage areas. A physician assistant must be practicing under the supervision of a physician who is board eligible or board certified in general internal medicine in one of the general internal medicine shortage areas to be eligible for financial incentives under the Act.
- (3) For purposes of the financial incentive programs under the Rural Health Systems and Professional Incentive Act (the Act), a physician must be board eligible or board certified in and practice "general pediatrics" in one of the state-designated general pediatric shortage areas. A physician assistant must be practicing under the supervision of a physician who is board eligible or board certified in general pediatrics in one of the general pediatric shortage areas to be eligible for financial incentives under the Act.
- (4) For purposes of the financial incentive programs under the Rural Health Systems and Professional Incentive Act (the Act), a physician must be board eligible or board certified in and practice "Obstetrics & Gynecology" in one of the state-designated OB/GYN medicine shortage areas. A physician assistant must be practicing under the supervision of a physician who is board eligible or board certified in OB/GYN in one of the OB/GYN shortage areas to be eligible for financial incentives under the Act.
- (5) For purposes of the financial incentive programs under the Rural Health Systems and Professional Incentive Act (the Act), a physician must be board eligible or board certified in and practice "general surgery" in one of the state-designated general surgery shortage areas. A physician assistant must be practicing under the supervision of a physician who is board eligible or board certified in general surgery in one of the general surgery shortage areas to be eligible for financial incentives under the Act.
- (6) For purposes of the financial incentive programs under the Rural Health Systems and Professional Incentive Act (the Act), a physician must be board eligible or board certified in and practice "psychiatry" in one of the state-designated psychiatry shortage areas. A physician assistant must be practicing under the supervision of a physician who is board eligible or board certified in psychiatry in one of the psychiatry shortage areas to be eligible for financial incentives under the Act.
- (7) For purposes of the financial incentive programs under the Rural Health Systems and Professional Incentive Act (the Act), a nurse practitioner's training and supervision will be taken into consideration to determine the appropriate shortage area. The Rural Health Advisory Commission will review individual cases.
