38-2517. Occupational therapist; therapy assistant; temporary license. Any person who has applied to take the examination under section 38-2518 or 38-2519 and who has completed the education and experience requirements of the Occupational Therapy Practice Act may be granted a temporary license to practice as an occupational therapist or an occupational therapy assistant. A temporary license shall allow the person to practice only in association with a licensed occupational therapist and shall be valid until the date on which the results of the next licensure examination are available to the department. The temporary license shall not be renewed if the applicant has failed the examination. The temporary license may be extended by the department, with the recommendation of the board. In no case may a temporary license be extended beyond one year.

An individual holding a temporary permit on December 1, 2008, shall be deemed to be holding a temporary license under the Occupational Therapy Practice Act on such date. The permitholder may continue to practice under such temporary permit as a temporary license until it would have expired under its terms.

38-2521. Continuing competency requirements; waiver. The department, with the recommendation of the board, may waive continuing competency requirements, in part or in total, for any two-year licensing period when a licensee submits documentation that circumstances beyond his or her control prevented completion of such requirements as provided in section 38-146. In addition to circumstances determined by the department to be beyond the licensee's control pursuant to such section, such circumstances shall include situations in which:

(1) The licensee holds a Nebraska license but does not reside or practice in Nebraska;

(2) The licensee has submitted proof that he or she was suffering from a serious or disabling illness or physical disability which prevented completion of the required continuing competency activities during the twenty-four months preceding the license renewal date; and

(3) The licensee has successfully completed two or more semester hours of formal credit instruction biennially offered by an accredited school or college which contributes to meeting the requirements of an advanced degree in a postgraduate program relating to occupational therapy.

38-2526. Occupational therapist; services authorized. An occupational therapist may perform the following services:

(1) Evaluate, develop, improve, sustain, or restore skills in activities of daily living, work activities, or productive activities, including instrumental activities of daily living, and play and leisure activities;

(2) Evaluate, develop, remediate, or restore sensorimotor, cognitive, or psychosocial components of performance;

(3) Design, fabricate, apply, or train in the use of assistive technology or orthotic devices and train in the use of prosthetic devices;

(4) Adapt environments and processes, including the application of ergonomic principles, to enhance performance and safety in daily life roles;

(5) If certified pursuant to section 38-2530, apply physical agent modalities as an adjunct to or in preparation for engagement in occupations when applied by a practitioner who has documented evidence of possessing the theoretical background and technical skills for safe and competent use;

(6) Evaluate and provide intervention in collaboration with the client, family, caregiver, or others;

(7) Educate the client, family, caregiver, or others in carrying out appropriate nonskilled interventions; and

(8) Consult with groups, programs, organizations, or communities to provide population-based services.

38-2527. Occupational therapy assistant; supervision required. An occupational therapy assistant may deliver occupational therapy services enumerated in section 38-2526 in collaboration with and under the supervision of an occupational therapist.

Source: Laws 2004, LB 1005, § 125; R.S.Supp.,2006, § 71-6119; Laws 2007, LB463, § 867. Operative date December 1, 2008.

38-2528. Referrals. (1) An occupational therapist may accept a referral from a licensed health care professional for the

purpose of evaluation and rehabilitative treatment which may include, but not be limited to, consultation, rehabilitation, screening, prevention, and patient education services.

(2) Referrals may be for an individual case or may be for an established treatment program that includes occupational therapy services. If programmatic, the individual shall meet the criteria for admission to the program and protocol for the treatment program shall be established by the treatment team members.

(3) Referrals shall be in writing, except that oral referrals may be accepted if they are followed by a written and signed request of the person making the referral within thirty days after the day on which the patient consults with the occupational therapist.

38-2530. Physical agent modalities; certification required. (1) In order to apply physical agent modalities, an occupational therapist shall be certified pursuant to this section. The department shall issue a certificate to an occupational therapist to administer a physical agent modality if the occupational therapist:

(a) Has successfully completed a training course approved by the board and passed an examination approved by the board on the physical agent modality;

(b) Is certified as a hand therapist by the Hand Therapy Certification Commission or other equivalent entity recognized by the board;

(c) Has a minimum of five years of experience in the use of the physical agent modality and has passed an examination approved by the board on the physical agent modality; or

(d) Has completed education during a basic educational program which included demonstration of competencies for application of the physical agent modality.

(2) The department shall issue a certificate to authorize an occupational therapy assistant to set up and implement treatment using superficial thermal agent modalities if the occupational therapy assistant has successfully completed a training course approved by the board and passed an examination approved by the board. Such set up and implementation shall only be done under the onsite supervision of an occupational therapist certified to administer superficial thermal agent modalities.

(3) An occupational therapist shall not delegate evaluation, reevaluation, treatment planning, and treatment goals for physical agent modalities to an occupational therapy assistant.

38-2531. Rules and regulations. (1) The board shall adopt and promulgate rules and regulations regarding role delineation for occupational therapy assistants and continuing competency requirements. Continuing education is sufficient to meet continuing competency requirements. Such requirements may also include, but not be limited to, one or more of the continuing competency activities listed in section 38-145 which a licensed person may select as an alternative to continuing education.

(2) The board may adopt and promulgate rules and regulations governing the training courses for an occupational therapist to be certified to administer a physical agent modality. The board may adopt and promulgate rules and regulations governing the training course for an occupational therapy assistant to be certified to set up and implement superficial thermal agent modalities. In adopting such rules and regulations, the board shall give consideration to the levels of training and experience which are required, in the opinion of the board, to protect the public health, safety, and welfare and to insure, to the greatest extent possible, the efficient, adequate, and safe practice of occupational therapy. Such rules and regulations shall include the approval of examinations and the passing score for such examinations for certification.
