---

Purpose To outline guidance on providing annual training to vendors.

---

Overview The Nebraska WIC Program will provide annual training for all WIC authorized vendors. The training program will consist of the following components.

- The interactive WIC Vendor Agreement Training session required at the time of initial authorization and required at contract reauthorization. Contract reauthorization is conducted every even numbered year. Please refer to Volume IV, Section C, Pages 2a – 2f for additional guidance for this training.
- The WIC Vendor Annual Training is required for an odd numbered year. State WIC vendor management staff in coordination with local agency WIC vendor managers will develop this training. The training will be consistent in format and content to ensure consistency and quality across the State.
