

Purpose Summarize the key points to cover with applicants/clients when providing an explanation of the Program's purpose and key operational features.

Program Explanation Nebraska WIC applicants will receive an explanation of the Program's purpose and features during their certification visit. This explanation will help minimize misunderstandings about the nature of the program and the benefits it provides.

Information Provided Each WIC applicant will have the following provided to them by clinic staff during their WIC visit:

- WIC provides nutrition and breastfeeding education and support, supplemental foods, and referrals.
- All clients will receive a nutrition assessment to help identify their individual needs.
- WIC foods are prescribed for each individual client.
- These foods are supplemental and may not meet all of your needs. Additional foods may need to be purchased.
- You will be notified when your benefits are about to expire. WIC will reassess your situation for continued eligibility.
- WIC staff will hope you achieve your nutrition and health goals for you and your family.
