Federal Year End Reporting Requirements for WIC Checks

Please act on any WIC checks with a "First Date to Use" of September 30, 2012 or before by November 20, 2012 or before

- If you have any problem WIC checks with a "First Date to Use" of September 30, 2012 or before, that need to be reviewed, they must be sent to your local agency WIC vendor manager by **November 20, 2012** or before for review and possible payment.
- Remember, it is required to include the detailed cash register receipt or an electronic journal entry of the transaction when sending problem WIC checks to your local agency WIC vendor manager.
- If you have any WIC checks with a "First Date to Use" of September 30, 2012 or before, they must be through the banking system by November 30, 2012 or before.
- This is necessary so that the State WIC office meets our federal year end reporting requirements.

Reminder for all WIC checks: Important that you deposit WIC checks in a timely fashion.

- Any WIC check has to be through the banking system by 60 days from the "First Date to Use" in order to be paid. This is a 60 day window for payment.
- If you have any WIC checks returned from the bank they also have this 60 day window for payment.
- If you have any questions about any problem WIC check, please contact your local agency WIC vendor manager to discuss.
