What you need to know about Nebraska's smoke-free air law.

Beginning June 1, 2009, all indoor workspaces and public places — including restaurants, bars, and businesses — will become smoke-free.

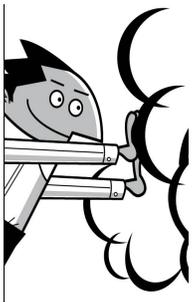

The new law protects employees and customers from the harmful effects of secondhand smoke.

Violation of the Nebraska Clean Indoor Air Act is a misdemeanor subject to fines. Both the individual and the business can be fined. For more information, visit: www.smokefree.ne.gov.

Need help quitting smoking or chewing tobacco? Call toll-free, 24/7: 1-800-QUIT-NOW (1-800-784-8669).
