

# Notice of Change of Procedure In Verifying Immigration Status

---

In order to comply with Neb. Rev. Stat. 4-108 through 4-114, Every Woman Matters Program and the Nebraska Colon Cancer Screening Program clients must be citizens of the United States or be qualified aliens under the Federal Immigration and Nationality Act.

Effective January 1, 2011, all qualified aliens who wish to apply for enrollment in these programs will be required to provide a copy of their USCIS documentation, which will be verified through the Federal SAVE program.

Persons with qualified alien status will not be considered for screening or diagnostic services through the Every Woman Matters Program or the Nebraska Colon Cancer Screening Program without this information.

If you have questions, please call Every Woman Matters or the Nebraska Colon Cancer Screening Program at 1-800-532-2227.
