# Help **build healthy communities** by becoming a **Community Health Worker (CHW)**

This **FREE** online course has been designed for individuals working in communities who can connect people to health services. Participants will attain confidence and credibility in the communities that they serve along with general knowledge on health topics, communication and organizational skills.

## Course Time Frame:

- 5 weeks of Online Training Modules
- 2-Day In-Person Meeting  
Tuesday, March 28 - Wednesday, March 29 2017\*
- 4 weeks of Online Training Modules
- 2-Day In-Person Meeting  
Wednesday, May 10 - Thursday, May 11 2017\*

\*In-person sessions will be held at:

**Country Inn & Suites, 5353 N 27th St., Lincoln, NE 68521**

The course will conclude as you gain practical experience through a Community Health Worker Capstone Project.
