

**Application Information
Nebraska Nursing License
Endorsement**

Registered Nurse (RN) or Licensed Practice Nurse (LPN) License by Endorsement.

Use this Endorsement application if you have been issued a nursing license in another state and you are applying for your first Nebraska license. (If you have an expired or inactive Nebraska license, use the reinstatement application.)

Eligibility

- You must have graduated from an approved nursing program and have passed the NCLEX or SBTPE exam.
- You need to meet one of the following continuing competency requirements:
 - Practiced nursing for at least 500 hours within the previous 5 years,
 - Graduated from an approved nursing program within the previous 5 years, or
 - Completed a Board-approved refresher course within the previous 5 years.
- You must be a U.S. Citizen, a legal U.S. immigrant, or be able to live and/or work in the U.S. lawfully.
- Foreign Educated Nurses - See requirements at <http://dhhs.ne.gov/publichealth/pages/crNursingForeign.aspx>
- You cannot hold an active multistate license in a state that is a member of the Enhanced Nurse Licensure Compact, unless 1) you are in the process of moving to Nebraska or a non-Compact state, or 2) you do not qualify for multistate license in your home state. A list of states that belong to Enhanced Compact can be found at ncsbn.org/enlc.

Temporary License. We can issue a temporary license pending receipt of either the results of the criminal background check or official transcripts. All other application requirements must be met. You must have an active license in another state with no current discipline. Temporary licenses are valid for 60 days or until the expiration of your other state license, whichever occurs first. Additional considerations are available for spouses of active duty military members stationed in Nebraska.

Compact Information – Nebraska belongs to the Enhanced Nurse Licensure Compact. States that belong to a compact issue two types of licenses: multistate and single-state. A multistate license can be used to practice in other states when 1) the states belong to the same compact, and 2) the nurse still lives in the state that issued the multistate license.

If you have a multistate license from another state and you move to Nebraska, you must apply for a Nebraska license. After you submit your application, you can practice nursing in Nebraska under the multistate license from your former home state while your Nebraska application is being processed.

You can hold a Nebraska multistate license only if you meet these additional requirements:

- Primary state of residence must be Nebraska. Primary state of residence is where you live, vote, hold a driver's license, and pay taxes.
- A valid Social Security Number
- No felony convictions
- No nursing-related misdemeanors
- Not currently participating in an alternative program*
- Disclose participation in an alternative program*.
- Have no probationary conditions or other disciplinary limitations on your license
- Have passed an English language proficiency exam if your nursing education was outside the United States and English is not your native language

* "Alternative program" means a non-disciplinary monitoring program approved by a licensing board. Nurses might participate in alternative programs due to substance use disorders, mental/physical health issues, or for remediation.

If you do not meet the multistate requirements, you can be issued a single-state license to practice in Nebraska.

Name Change – If you have ever held a license or credential in Nebraska under a different name, provide a copy of the legal documentation of name change.

License Verifications

Initial Nursing License – If the state in which you were originally licensed participates in Nursys Licensure Verification, you will need to pay for a Nurse License Verification for Endorsement at www.nursys.com. You can find a list of participating states at that site. If your original state of licensure does not participate, use the verification form on the last page of this application.

Other Licenses – You must submit verifications of all licenses, certificates or registrations you hold or have held in states other than Nebraska in any health-related field. Examples of health-related fields include RN, LPN, nurse aide, medication aide, EMT, pharmacy technician, etc. The verification must indicate whether or not there is any disciplinary action against the credential. Do not send a copy of the license card.

Discipline Records – If any disciplinary actions have been taken against you, submit a letter of explanation and a copy of the discipline order. Report all disciplinary actions taken against any nurse license or any license, certificate, or registrations you have held in a health care-related field, such as nurse aide, EMT, or pharmacy technician.

Convictions

A. Identify each and every misdemeanor and felony conviction.

The application includes a question about whether you have any misdemeanor or felony convictions. You must answer, “yes” if you have ever been convicted of a felony or misdemeanor. You must list all your misdemeanor and felony convictions. It does not matter how long ago the conviction happened or whether or not you reported the conviction on a previous application. Infractions, diversions, and dismissals do not need to be listed.

If you have ever received a ticket from a law enforcement officer or were ever charged with an offense, you can check with the court system to determine if the incident appears on your record as a misdemeanor. Misdemeanors can be processed through traffic courts, so ask for a search of both criminal court and traffic court records.

Examples of Common Misdemeanors	
This list is provided to help you identify misdemeanors that are sometimes mistaken for infractions. This is not a complete list!	
<ul style="list-style-type: none"> • MIP • DUI / DWI • Open Container • Tobacco Use by Minor • Shoplifting / Theft / Burglary • Unauthorized use of a Financial Transaction • Disturbing the Peace • Assault • Disorderly Conduct / Disorderly House • Reckless Driving 	<ul style="list-style-type: none"> • Driving under Suspension / Revocation • License Vehicle without Liability Insurance • Fail to Appear in Court • False Information or Reporting • Leave the Scene of an Accident • Operator not Carrying License • Unlawful Display of Plates/Renewal tabs • Park Rule Violation / Curfew Violation • Dog at Large / Fail to Vaccinate Animal • Littering / Fireworks • Bad Check

B. Documentation. For each misdemeanor or felony conviction on your record, include the following with your application:

- (1) A certified copy of the court record;
- (2) Your explanation of the events leading to the conviction (what, when, where, why) and a summary of actions you have taken to address the behaviors/actions related to the conviction;
- (3) If the conviction involved a drug and/or alcohol related offense and drug/alcohol treatment was obtained or required, all evaluations/discharge summaries; and
- (4) If you are currently on probation, a letter from your probation officer addressing the terms and current status of your probation.

Timeframes for Processing Applications. All applications are reviewed in order of date received.	
Preliminary Review:	Approximately 15 days after receipt of application. You will be notified by email at this time of any items missing from your application file.
Criminal Background Check:	Approximately 4-6 weeks after fingerprints are submitted to Nebraska State Patrol
License Decision:	8-10 weeks from receipt of a complete application.
You are encouraged to complete all application requirements within 90 days to avoid closure of your file. If you do not submit all required documents within 150 days, your application will be destroyed.	

INSTRUCTIONS FOR CRIMINAL BACKGROUND CHECKS

Criminal background checks are NOT expedited for any reason.

To be eligible for a Nebraska RN, LPN, or APRN license, you must submit fingerprints and a fee to the Nebraska State Patrol for the purpose of a criminal background check.

The State Patrol will not begin processing the background check until 1) you have paid the required fee and 2) the Licensure Unit has received your application for a nursing or APRN license.

Even if you have recently obtained a criminal background check for another state or other license type, you **MUST** obtain a new criminal background check for your current application.

Completing the Fingerprint Card

1. **Use standard blue and white fingerprint cards** (Form #FD-258), which are available at any State Patrol office in Nebraska and at many local law enforcement agencies. If you wish to use an agency other than the Nebraska State Patrol to capture your fingerprints, contact the agency to see if they have FD-258 cards. You can also contact the Licensure Unit at (402) 471-4376 and request that cards be mailed to you.
2. **DO NOT FOLD THE FINGERPRINT CARDS.**
3. **Information to be completed on the Fingerprint Card:**

Print your full name, address with zip code, Social Security Number*, date and place of birth, and other information as requested. **DO NOT sign the fingerprint cards** until the law enforcement officer has verified your signature. **DO NOT write in the field labeled ORI.**

**If you do not have a U.S. Social Security Number, you must provide a government-issued identification number, an alien registration number, or a passport number in the "Miscellaneous No: MNU" section on the fingerprint cards. Indicate the type of number provided.*

In the box labeled "**Reason Fingerprinted**" print "Nursing 38-131" if you are applying for a RN or LPN license. Print "Controlled Substance 38-131" if applying for an APRN license or applying for APRN/RN licenses simultaneously. If applications for RN and APRN licenses are submitted separately, you will need to submit two sets of fingerprints and pay twice for the background check.

Photo ID

You must bring a valid photo ID with you when getting your fingerprints. Acceptable forms of ID include an unexpired driver's license, passport, permanent resident card ("Green Card,") or Employment Authorization Card.

FEE: \$45.25

There are 2 ways to pay:

1. **Credit Card or eCheck:** Go to www.ne.gov/go/nsp to submit credit card, debit card, or checking account information. A transaction fee will be added to your payment.

When paying online, you need to select a "transaction item." Select "Nursing" if you are applying for a RN or LPN license. Select "Controlled Substance" if you are applying for an APRN license or are applying for APRN/RN licenses simultaneously. If a company or person other than the applicant is paying for the fee, be sure to enter the licensure applicant's name, date of birth and the last 4 digits of social security number underneath the transaction item. The payer's information should be entered on the second page.

2. **Check or Money Order:** Write "fingerprinting" and the applicant's name on the memo line. Mail payment of **\$45.25** to: **Nebraska State Patrol, Attn: CID, 3800 NW 12th St Ste A, Lincoln NE 68521.**

The \$45.25 fee is for the processing of the criminal background check. If you have your fingerprints taken through an agency other than the Nebraska State Patrol, you may be charged an additional fee for the service of taking your fingerprints.

Fingerprinting Process

There are 2 ways to capture your fingerprints:

- **Live Scan:** Live Scan is available at all Nebraska State Patrol locations listed below and through some other law enforcement agencies in Nebraska. Live Scan captures fingerprints electronically. If obtained in Nebraska, fingerprint cards might not be required. If you use an agency outside of Nebraska that captures fingerprints with Live Scan, you must request that your fingerprints be printed onto a card. One (1) card is usually sufficient for Live Scan prints.
- **Ink and Paper:** If your fingerprints are taken using traditional ink and paper fingerprinting, you need to submit **two (2)** ink rolled cards to the Nebraska State Patrol.
