

## Title V Maternal & Child Health (MCH) Block Grant Five-Year State Action Plan Table

INSTRUCTIONS: Reflect on your understanding of the issues as they pertain to your community and/or organization. Suggest strategies for the objectives below. When possible, provide references to source of documentation of strategies being evidence-based or evidence informed or provide the URL address to the source. If submitting online, any additional narrative will be accommodated in the scrolling text. Use the space at the bottom to suggest additional objectives and related strategies.

### **10. Medical Home for CYSHCN, including empowerment of families to partner in decision making and access to additional family supports**

<b>Five-Year Objectives</b>	<b>Strategies: Year Two (Oct. 1, 2016 – Sept. 30, 2017)</b>
10a. By 2020, increase by 10% care coordination services in medical clinics statewide for families of children with special health care needs.	
10b. By 2020, increase by 10% the number and percentage of CYSHCN whose families are partners in decision making at all levels, and who are satisfied with the services they receive.	
10c. By 2020, increase by 10% the number and percentage of CYSHCN who receive coordinated, ongoing, comprehensive care within a medical home.	
10d. By 2020, increase by 10% the number and percentage of CYSHCN covered by health insurance.	
10e. By 2020,
