

# Advanced Burn Life Support Provider Course

**Wednesday, June 17, 2015**  
**7:45 a.m. - 4:30 p.m.**  
**CHI Health St. Elizabeth**

- The **Advanced Burn Life Support Provider Course** is an eight-hour course for physicians, nurses, physician assistants, nurse practitioners, therapists, and paramedics.
- The course provides guidelines in the assessment and management of the burn patient during the first 24 hours post injury.
- Following a series of lectures, case studies are presented for group discussions.
- You will be given the opportunity to work with a simulated burn patient to reinforce the assessment, stabilization, and the American Burn Association transfer criteria to a Burn Center.
- Final testing consists of a written exam and a practical assessment return demonstration. Please register early as availability is limited.
- CEUs provided by the American Burn Association: CME = 7.25 hours / CNE = 7.4 hours

## **COST:**

- **Physicians - \$200**
- **Mid-levels & Residents - \$200**
- **Other health professionals - \$150**

Includes tuition, manual, study guide, test and continuing education credits.
