

How to request a CISM Debriefing:

- Following the incident, the Nebraska State Patrol in your area is informed of the possible need for a Critical Incident Stress Management Session
- The troop dispatcher finds out the name of the community involved, nature of the incident, and the name and telephone number of the contact person
- Information regarding the incident is given to the Clinical Director (or someone he/she designates)
- The Clinical Director or designee calls the site to confirm the need for CISM service
- If a CISM session is need, a designated CISM contact in the area is notified
- A CISM session is conducted at the designated location
