THE HAPPY MOUTH

Don't forget… This is the place where the education starts and is reinforced

Once upon a time a little mouth did not smile, because she did not have healthy, shiny and clean teeth and that made her sad…

BUT…One day a little fairy hand appeared with a beautiful surprise.

The hand gave the little mouth a nice surprise, a wonderful gift, to help her have pretty teeth and smile.

To wash your hands, brush your teeth with toothpaste, to use dental floss and visit the dentist.
