<http://dhhs.ne.gov/publichealth/PDMP/Pages/VetReporting.aspx>

* Mandated by Neb. Rev. Stat. §71-2454

Nebraska PDMP System

Stores dispensed prescription data

General Information

- ◆ PDMP collects all dispensed prescription drug information for Nebraska
- ◆ Data is stored in a secure database and encrypted
 - ◆ Data is stored by dispensing record not by patient, prescriber or pharmacy
- ◆ Data in the PDMP is to be used by eligible credentialed health care professionals for treatment purposes and patient safety

NEBRASKA

Good Life. Great Mission.

DEPT. OF HEALTH AND HUMAN SERVICES
