Are you a clinician or health care professional who wants to:

- Optimize the health outcomes of your patients?
- Strategize with like-minded health care professionals on emerging trends of PCMH and value-based care?
- Utilize quality measures and use the data for practice improvement?

PCMH is one of the largest movements in recent years in health care reform. The purpose is to provide attendees access to experienced experts regarding the emerging trends of PCMH and value-based care. Come join us as we continue to help Nebraska drive PCMH forward.

*Open to Critical Access Hospitals (CAHs), Certified Rural Health Clinics (CRHCs), Federal Qualified Health Centers (FQHCs), and independent physician practices **free of charge!***
