The Nebraska Department of Health and Human Services (DHHS) is committed to providing equal access to employment, programs, service, activities and benefits to qualified individuals with disabilities. DHHS complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, sex, or disability in admission to its programs, services, or activities; in access to them; in treatment of individuals with disabilities; in provision of benefits, in its hiring or employment practices, or in any aspect of their operations.

DHHS will generally, upon request, provide appropriate aids and services leading to effective communication for qualified individuals with disabilities so that they can participate equally in DHHS's programs, services and activities. This includes qualified sign language interpreters, written information in other formats (large print, audio, accessible electronic formats, and other formats). Free language services are available to people whose primary language is not English, such as qualified interpreters and information written in other languages. Any individual who requires an auxiliary aid or service for effective communication related to any DHHS program, service or activity should contact the ADA, Sec. 504, and ACA/Sec. 1557 Compliance Coordinator.

DHHS will make reasonable modifications to policies and programs to ensure that individuals with disabilities have an equal opportunity to enjoy all of its programs, services, activities, and benefits. Any individual who requires a modification to a policy or program should contact the ADA, Sec. 504, and ACA/Sec. 1557 Compliance Coordinator.

Any complaint that a DHHS program, service or activity is not accessible to individuals with disabilities, or has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, should be directed to the ADA, Sec. 504, and ACA/Sec. 1557 Compliance Coordinator. You can file an ACA/Section 1557 complaint in person or by mail, fax, or email. If you need help filing a complaint the ADA, Sec. 504, and ACA/Sec. 1557 Coordinator is available to help you.

The ADA and ACA do not require DHHS to take any action that would fundamentally alter the nature of its programs or services, or impose any undue financial or administrative burden upon DHHS. Questions, complaints or requests for additional information regarding the ADA, Section 504, and ACA/Sec. 1557 may be forwarded to the designated ADA, Section 504, and ACA/Section 1557 Compliance Coordinator:
