

# What Would You Do With an Extra \$2,000?

That's how much a pack-a-day smoker spends in a year!

And we want to know what you'd do if you could have that much extra cash.

Head out to our Twitter page [@TobaccoCostsYou](#) and find our tweet about the contest.

Retweet it — include [#XTRA2K](#) — and don't forget to add what you would do with an extra \$2,000.

Just for retweeting, you'll be entered into a drawing for a \$500 Visa gift card. A \$25 Amazon gift card will also be given away every couple of days during the contest.

But you better get *moving*!

You need to retweet by August 4, 2014, to be eligible and follow the [contest rules](#).
