

QUESTIONS FOR TESTIFIERS AT THE DIALYSIS TECHNOLOGISTS' PUBLIC HEARING

(June 13, 2016)

Question from Dr. Allison Dering-Anderson:

How well does the current proposal resolve the concerns raised in the applicants' proposal?

Question from Corrinne Pedersen:

How are the procedures under review handled in other states?

Questions from Michael Millea:

Who would be responsible for a PCT's actions if such actions were outside of current law?

Has any PCT been charged or disciplined for actions outside of current law?
