Dear Mr. Willford:

This is to acknowledge receipt of your statement of compliance for the regulatory violations cited during the Compliance Inspection conducted at your facility on April 26, 2010. The statement of compliance has been reviewed and indicates the necessary corrections will occur and that a process has been established to maintain compliance with the regulations.

Based on your statement of compliance, there will be no disciplinary action taken at this time. Please continue your efforts to maintain compliance with the Assisted-Living Facility regulations.

Sincerely,

Eve Lewis, RN-C, Administrator
