FSP 1040 Supplement

(Used with the 1040 tax return and all schedules filed with IRS.)

Tax Year - _____

Complete this document listing payments on the principal of the purchase price of income-producing real estate and capital assets, equipment, machinery and other durable goods considered as an allowable cost of doing business. If you do not list an applicable item on this form, the allowable costs for that item will not be allowed when computing your net food stamp income.

Please list the payments you made last year. Mortgage payments may be allowed but only the portion used for the business. If you have included the interest amount as a deduction on Schedule C or Schedule F of your tax return, please list the interest amount included in the payment if applicable.

Purchase Date	Item Purchased	Total Amount Paid on Item Last Year	Interest Amount Included in Payment	Amount Paid on Principal	Remaining Balance Owed

With my signature, I certify I have listed all items that I wish to have payments on the principal of the purchase price counted as allowable costs of doing business. I also certify I have receipts or some type of verification on file for all the listed items reported on this form. I will keep them on file for at least one year from the date reported.
