What is the National Suicide Prevention Lifeline?

- The National Suicide Prevention Lifeline is a national network of local crisis call centers that provide free and confidential emotional support to people in suicidal crisis or emotional distress 24 hours a day, 7 days a week.
- The trained crisis worker listens and works to understand how a caller's problem is affecting their life, provide support, and connect them to resources.

Helping People Live Better Lives.

National Lifeline Call Data

- 18 million calls answered since 2005 (includes Veterans Crisis Line).
- 9 million of those calls were answered in the past 4 years.
- Over 2.4 million calls answered in 2020 alone.
- Interpretation services are provided for individuals with limited English proficiency.

Helping People Live Better Lives.

National Lifeline Centers

- 180 centers are in the Lifeline network. 200 more are expected by summer.
- Centers are independently operated and independently funded though all receive a Lifeline participation stipend.
- 9 centers provide national backup services when local centers can't address the call volume.

Lifeline data as of February 2021

Nebraska Lifeline Center

- The National Lifeline Center is operated by Boys Town.
- Staffed by specially trained counselors.
- Accredited by American Association of Suicidology (AAS).
- Spanish-speaking counselors and translation for more than 100 languages.
- Serves as a backup to the National Call Center.
- 8,000 + calls from Nebraskans per year.

National Lifeline Minimum Requirements

- Must be accredited.*
- Carry liability insurance (\$1 million per occurrence, \$3 million aggregate).
- Capacity to handle call or chat volume for a specified region or set of hours.
- Develop and maintain operational policies and procedures.
- Provide training for staff which aligns with Lifeline's clinical standards.
- Adhere to Lifeline's clinical standards for safety assessment and working with those at imminent risk for harm to self or others.
- Offer local referrals and resources to individuals.
- Participate in Lifeline evaluation and quality improvement activities.

**As of spring 2021, Lifeline accepts accreditation from: American Association of Suicidology, International Council for Helplines, Alliance of Information and Referral Systems, The Joint Commission, Commission on Accreditation of Rehabilitation Facilities, Council on Accreditation, Utilization Review Accreditation Commission, plus state/county licensure on approval from Lifeline/SAMHSA*

988

- National effort – organized at the state level.
- Connects a person in a mental health or substance use crisis to a trained counselor who can address their immediate needs and help connect them to ongoing care or resources.
- Opportunity to reduce use of law enforcement for behavioral health crisis response.

Timeline for Change

- Mental health and suicide prevention advocates seeking a national, easy to remember 3-digit number for individuals in crisis took their idea to their states and Congress.
- The National Suicide Hotline Improvement Act (8/2018) directed the U.S. Federal Communications Commission (FCC), in conjunction with other agencies, to study these issues.
- In August 2019, the FCC Commission report to Congress recommended 988.
- In December 2019, FCC initiated rulemaking to designate 988.
- In July 2020, FCC finalized Rule and Order designating 988 with a July 2022 deadline for telecom providers to make operational.

Planning for 988

Helping People Live Better Lives.

988 State Planning Grant

- Funded by the Substance Abuse and Mental Health Services Administration (SAMHSA) and administered by Vibrant Emotional Health
- \$130,000 awarded to DHHS-DBH
 - Grant period runs March 2021- September 2021.
 - Grant activities are dedicated to the development of an implementation plan for 988 in Nebraska. The plan will identify projected infrastructure needs, volume growth, and access to the Lifeline's new 988 number.
- Additionally, Nebraska will review the current crisis response system processes and service continuum.
