State Summary Narrative

The Nebraska PATH Program assists adults with serious mental illnesses experiencing homelessness and chronic homelessness engage in services necessary for recovery support, find a place to call home, and address behavioral and medical healthcare needs. Its focus is on helping people live better lives.

The Nebraska PATH Program will prioritize street outreach and case management, in areas of the state with the highest concentration of people who are experiencing homelessness.

The Nebraska PATH Program is aligned with SAMHSA goals and supports the goals established in the Nebraska “Opening Doors: 10 Year Plan to Prevent and End Homelessness in the State of Nebraska, 2015-2025.”

To accomplish this work, PATH providers will provide referrals for services as appropriate, including mental health services, housing, primary healthcare, job training and education. All PATH providers utilize the Homeless Management Information Service and are active participants in their local Continuum of Care (CoC) and CoC All Doors Lead Home Coordinated Entry systems (see Figure 1).

The PATH Program is administered within the Nebraska Department of Health and Human Services-Division of Behavioral Health (NDHHS-DBH). The NDHHS-DBH is the designated State Mental Health Authority (SMHA) and the State Substance Abuse Authority (Single State Authority (SSA)). As such, the NDHHS-DBH administers and oversees Nebraska’s public behavioral health system to address the prevention and treatment of mental health and substance use disorders. Nebraska adheres to the Substance Abuse and Mental Health Services Administration’s (SAMHSA) Recovery Support Strategic Initiative that delineates four major dimensions that support a life in recovery: Health, Home, Purpose, and Community.

The vision of NDHHS-DBH includes a focus on positive outcomes and continuous quality improvement for the Division of Behavioral Health, the intermediary Regional Behavioral Health Authorities and local providers. It encourages adding or promoting the use of Evidence-Based Practices and contractual requirements for Culturally and Linguistically Appropriate Services (CLAS) Standards.

The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Mental Health Services (CMHS) has invited the State of Nebraska to apply for Federal Fiscal Year 2025-2026 funding under the Projects for Assistance in Transition from Homelessness (PATH) Formula Grant Program. The PATH Program is authorized under Section 521 of the Public Health Services Act, Title V, Part C, as amended. You are invited to send written comments regarding the Nebraska PATH Program Application via email or mail to John Trouba at john.trouba@nebraska.gov or John Trouba, Federal Aid Administrator, DHHS Division of Behavioral Health, PO Box 95026, Lincoln, NE 68509-5026, by 4:00 p.m. Thursday, March 20, 2025.

It is the intent of the State of Nebraska to fund Regional Behavioral Health Authority PATH program grantees at 2024-2025 PATH levels if funding is available, all application elements are met, and the grantee has fulfilled all prior grant agreement requirements.

The PATH Program grant is intended to reduce or eliminate homelessness for individuals with serious mental illness or co-occurring serious mental illness and substance use disorders or who are at imminent risk of becoming homeless. PATH funds are used to provide an array of allowable services, including street outreach, case management and services which are not supported by mainstream community mental health programs.

The State of Nebraska is a minimum allotment state for the PATH Program grant. The maximum amount the State can receive is \$300,000. As required by Statute, states must agree to make available, directly or through donations from public or private entities, non-federal contributions that are not less than \$1 (in cash or in kind) for each \$3 of federal funds. A maximum of 4% (\$12,000) of the grant allotment can be used for state administrative expenses. At least \$288,000 will be subgranted to Regional Behavioral Health Authorities for three local agencies who will provide street outreach, case management, screening, diagnostic and short-term treatment, and/or housing assistance services to homeless individuals with serious mental illness. The three local agencies providing PATH program services will provide \$100,000 required match through private donations, agency revenue and/or in-kind services.

A draft of the Nebraska PATH Program Federal Fiscal Year 2025-2026 Application is available on the DBH website, URL <http://dhhs.ne.gov/Pages/Behavioral-Health.aspx> and the document is located in the General Documents section of the page. Please contact John Trouba, State PATH Contact at the Division of Behavioral Health via email john.trouba@nebraska.gov or at (402) 471-7824 to submit comments.

RE: Letter of Assurance of Non-Federal Match of PATH Funds

Dear Aileen:

This letter is to document non-federal funding provided by Region 6 Behavioral Healthcare, the local mental health authority, to Community Alliance Rehabilitation Services for the provision of Recovery Support services. Recovery Support services are intended to promote successful independent community living by assisting individuals in achieving behavioral health goals, supporting recovery, and connecting the individual to services aiding the goals. This includes linking individuals to community resources, helping to identify and problem solves problems that limit independent living, and build on strengths and interests that support wellbeing.

Community Alliance provides these services to individuals who are homeless and have a serious mental illness for purposes of assisting eligible individuals in obtaining and maintaining the housing, behavioral health, and other resources needed to continue their transition from homelessness and achieve personal and community stability. The services are intended to be closely coordinated with PATH funded outreach, mental health, and initial case management services including longer term assistance and supports. Referrals for recovery support services are received from the PATH funded services.

Region 6 has funded the above-described recovery support services from non-federal sources for a number of years and anticipates continuing such funding. Region 6 funding for these services in FY2025 (July 1, 2024 through June 30, 2025) is allocated in the amount of \$330,418. This provides an excess of a dollar-for-dollar match of PATH funds, surpassing the required match of \$83,473. This letter of assurance is being provided based on the Region 6 allocation plan and is subject to final approval from the Regional Governing Board and Nebraska Division of Behavioral Health Services, anticipated in June 2025.

We appreciate the opportunity to leverage Region 6 funding with federal PATH funds to enhance the impact of our collective efforts to assist individuals with serious mental illness who are experiencing homelessness.

Sincerely,
