Lincoln, NE**

Attendees: Dr. Howard Fox (UNMC for Dr. Britigan), Dr. David Owens (Columbia University), Dr. Dennis Roop (University of Colorado Anschutz Medical Campus), Dr. Rui Yi (Northwestern University), Dr. Laura Hansen (Creighton University)

DHHS Staff: Chris Johnson, Sue Medinger, Dr. Timothy Tesmer

Meeting started at 9:00 am

1. Sue Medinger welcomed everyone to the meeting and asked for introductions.
2. This meeting followed the Open Meetings Act. A copy of the Act was available in the meeting room.
3. Sue reviewed the grant review process. The Committee met via conference call on February 9th to discuss and approve the 2024 RFA #6380. The 2024 Stem Cell RFA was released on February 14th with applications due March 26th. The applications were emailed to the Stem Cell Committee on April 4th for their review.
4. The grant awards were announced (see Attachment 1). Emails will be sent to the new grant recipients listing their contingencies. All contingencies must be received by the program before the internal grant approval process will begin. The grant period is July 1, 2024 – June 30, 2025.
5. Dr. Roop will prepare the critiques summarizing the strengths and weaknesses of each application which will be sent to each applicant.
6. There were no public comments.
7. Committee membership update: Dr. Roop, Dr. Owens, and Dr. Yi continued their work on the Committee and their reappointments were brought before the 2024 HHS Committee and Legislature for confirmation on March 20, 2024.

Meeting adjourned at 1:15 pm.
