License Exempt Providers

392 NAC 4-000 – Provider Standards for License-Exempt Family Child Care

4-002.01 – Provider Age Qualifications:

1. Must be at least 19 years old.....

4-002.03 Release of Information: A signed, written release of information to conduct background checks must be submitted for each person over the age of majority. A parent or guardian must sign a release for a child's background check.....

4-002.03(A)(i) Background Checks: The provider and all household members must submit to required background checks.

The provider must inform their Resource Developer Worker within 10 days of any changes to the household. The required background checks are as follows:

1. The State Central Registry of child protection for any state in which the provider and/or household members have lived in the past five years (if age 13 or older).....
2. The State Central Registry of adult protection for any state in which the provider and/or household members have lived in the past five years (if age 13 or older).....
3. Appropriate local law enforcement agency for any state in which the provider and/or household members have lived in the past five years (if age 13 or older).....
4. Sex Offender Registry for any state in which the provider and/or household members have lived within the past five years (if age 18 or older).....
5. State-level criminal history for any state in which the provider and/or household members have lived in the past five years (if age 18 or older).....
6. FBI Fingerprint checks (if age 18 or older).....

LB
)

4-001(I) I am physically, mentally, and emotionally able to provide care for children and will provide, upon request, a statement from a medical professional should there be reasonable cause to question this capacity to provide care.

I do not, and will not, knowingly allow individuals who are a registered sex offender on the premises except to pick up or drop off their child.

By signing, provider agrees to provide child care services in accordance with their agreement, applicable portions of Nebraska Administrative Code Titles 391, 392, and 480, and applicable state and federal law. The provider also understands that this compliance review will be posted on the Child Care Subsidy page in compliance with federal requirements and regulations.
