III. Scope of Services by Provider

Provider understands and agrees to the following:

1. Provider will provide child care services in accordance with this enrollment, applicable portions of Nebraska Administrative Code Titles 391, 392, and 480, and applicable state and federal law.
2. Provider will keep current and comply with any state or local license required for service provision. Failure to comply with licensing requirements will result in the Department denying or recouping payment for the time Provider was out of compliance.
 - a. Provider understands that if failure to comply with licensing requirements results in loss of license that this enrollment is null and void on the same date.
3. Provider will provide child care services under this enrollment only as authorized by the Department. This means that Provider will provide care under this enrollment only to children listed in the authorization, only at the authorized location, for the purpose that is authorized, during the time period that the authorization covers, and for no more hours than the authorization indicates. Any hours exceeding this authorization will be the responsibility of the approved subsidy client.
 - a. Provider understands that billing is limited to a maximum of 60 hours per week; a week is defined as the 7-day period from Sunday through Saturday; and a maximum of 18 hours of care in a 24-hour period.
 - b. The provider may bill the full authorized amount for times that a child is absent on a scheduled day, up to five times per month, and in accordance with the Title 392 Guidance Document. The provider will need to enter an "A" on the attendance calendars to indicate that an absent day was billed.
 - o Provider understands that this enrollment prohibits the billing of absent days for children who are no longer under the provider's care.
4. Provider will provide accurate and complete information to the Department regarding themselves, staff, and/or household members. The following events must be reported to a Resource Developer and/or a Licensing Specialist immediately:
 - a. Provider is arrested, charged with, or convicted of any criminal offense other than a traffic violation;
 - b. The ownership or location where care is being provided is changing;
 - c. Provider has contact with a Department Child Protective Services or a Department Adult Protective Services worker;
 - d. Facility telephone number is changing, disconnected, or discontinued;
 - e. Employment which would have an effect on the provision of child care;
 - f. Provider is alleged by the Department to have committed an Intentional Program Violation;
 - g. Provider believes an overpayment has occurred; and
 - h. Any other events that would affect the enrollment.
5. Provider will obtain and provide to the Department written consent for applicable background checks, including FBI fingerprint checks, on Provider, facility owners, directors, staff (including volunteers), and household members if applicable. In addition, if any of the above has resided in a state other than Nebraska within the past 5 years, previous addresses must be reported to DHHS in order for DHHS to obtain applicable background checks from the other state(s).
6. Provider will retain attendance calendars or other attendance records approved by the Department for four years after the services are provided. If Provider fails to retain these records, the Department may recoup any payments made during the time period in question and may terminate this provider enrollment.
7. Provider will retain records on all children in care, including up-to-date immunization records.
8. Provider will allow local, state, and federal officials responsible for program administration or audit to inspect the facility, observe service delivery, interview Provider and/or staff members, review all records, including attendance calendars or other approved attendance records, or facility policies, and provide copies upon request, all without advance notice.

- a. Provider understands that an inspection of the facility may involve a full walk-through of the building where care is provided to allow program administration to monitor for health and safety requirements. Provider understands that denial to allow a full walk-through inspection may result in termination of this provider enrollment.
 - b. Provider will provide any requested attendance calendars or other approved attendance records within 10 business days. Failure to provide the requested information may result in the termination of this provider enrollment and possible overpayment.
9. Provider agrees that all information gathered in the performance of this enrollment, either independently or through the Department, shall be held in the strictest confidence, and shall be released to no one other than the Department without the prior written authorization of the Department.
10. Provider will submit payment claims within 90 days of the provision of service. Claims made after 90 days are subject to policy review and may not be paid in full.
11. Provider will submit claims through the Child Care Billing Portal unless the Department has authorized Provider to submit paper claims.
12. Provider understands that the submission of a fraudulent claim may result in the termination of this provider enrollment, recoupment of payments, and criminal prosecution.
13. The Provider agrees to accept Department reimbursement as payment in full for the agreed upon service(s), unless the client is responsible for a customer obligation. The Provider will not charge clients the difference between this agreed upon rate and the private pay rate. The client's obligation covers the first dollars of payment regardless of when service begins or ends.
14. Provider will comply with all applicable local, state, and federal statutes and regulations, including the Age Discrimination in Employment Act of 1967; Title VII of the Civil Rights Act of 1964; Equal Pay Act of 1963; Sections 501 and 505 of the Rehabilitation Act of 1973; the Title I and Title V of the Americans with Disabilities Act of 1990; Title II of the Genetic Information Nondiscrimination Act of 2008; Civil Rights Act of 1991; and the Nebraska Fair Employment Practice Act, NEB.REV.STAT. §48-1101 to 48-1125.
15. Provider will provide the same level and quality of services to a Department client that it provides to any private pay clients.
16. Provider agrees to operate a drug-free workplace.
17. Provider is not currently employed with the State of Nebraska, and Provider understands that as a provider of this service they are ineligible for state employment, due to potential overtime liability.
 - a. Provider agrees they will not apply for or accept employment with the State of Nebraska unless Provider has first ended this provider enrollment.
18. The Department may terminate this enrollment for any reason by providing 30 days written notice to Provider. In addition, the Department may terminate this enrollment immediately if determined necessary to protect the health or safety of children, or if Provider has provided false information to the Department or otherwise breached this enrollment.
19. This enrollment may be modified only in writing and signed by Provider and the Department.
20. Provider will not enter into any other provider agreements or contracts with the Department without prior approval from the Department, Division of Children and Family Services.
21. Provider will not assign or transfer any interest, rights or duties in this enrollment.
22. Provider acknowledges receipt of a Child Care Provider Handbook.
23. Provider understands that the Department may recover any overpayments through recoupment or setoff.
24. There is no right to be a Provider for the Child Care Subsidy program, and Providers do not have the right to appeal Department decisions, except when an overpayment has been assessed or enrollment has been denied due to background check results.
25. Provider will demonstrate the physical, mental and emotional capacity to provide care for children. The Department may require a physician's verification of capacity.
