   - Jillion Lieske is the New Administrator II for Field Operations
   - Teresa Tack-Stogdill will be the District Administrator 2
   - District Administrator 3 position is being posted.
   - Quality Management Team is hiring 9 Quality Control Specialist.
   - National Core Indicators
     - The National Core Indicators (NCI) released the 2016 Adult Consumer Survey report on May 2, 2018 and is posted to the NCI website https://www.nationalcoreindicators.org/resources/reports/
     - Nebraska specific report expected to be released in next few weeks – will provide more concise detail for us. Team is working with partners at MMI to digest the information, determine action steps, and prepare overview to communicate with stakeholders
     - The Division is in the process of participating in year two of the Staff Stability Survey. Results for the 2016 Staff Stability Survey are in and posted at www.nationalcoreindicators.org. Nebraska did not reach the 95% confidence rate and 5% margin of error rate to be statistically valid in 2016. Nebraska’s margin of error rate was 7.11% with 41 of 52 providers participating. Participation is voluntary but if do not reach confidence rate this year we will not participate next year.
     - The Division is also conducting its own participant experience and satisfaction survey. Self-Advocates along with the Quality Management team will conduct the surveys during this summer.
d) Rate Rebase and Objective Assessment Redesign Project Update
   - Phase I - Rate Rebase: (understanding service costs and cost components)
     - The Division presented the latest version of the rate model and 3 budget neutrality options to the Provider Advisory Group (PAG) group on April 12, 2018. The PAG has requested an extension to provide comments.
The Division also worked with the PAG revising Service Definitions and drafts were submitted to CMS on May 3, 2018. Once we have CMS feedback we will share with the advisory group.

The Division intends on asking CMS for an extension to the work plan dates but until we review and respond to the PAGs comments the implementation date we will request is unknown.

Looking at 2 workgroups in the near future.
(a) Exception Tier for Behavioral Needs
(b) Looking at a Crisis Stabilization exception rate

e) Disability Services Stakeholder Olmstead Planning Advisory Committee (LB1033) Update
   - Olmstead web page is currently under construction that will be available on the DHHS public site.
   - Actively drafting a Request for Proposal for consultative services to develop a comprehensive strategic Olmstead plan for Nebraska. RFP should be open for bids soon.
   - Have potential funding source for contractor that we are exploring

f) Vocational Rehabilitation Funding
   - Email has been sent to Staff and Providers regarding VR Funding. Courtney will send the email to the committee members a copy of the email that was sent to providers.
   - Vocational Rehabilitation (VR) closed all priority categories on Monday, April 23, 2018.
   - The closure means if the participant did not have a written Individual Plan for Employment (IPE) with VR, the participant, received a letter for placement on VR’s waiting list for services.
   - Participants currently with an IPE and in the milestone process will continue with VR services.
   - VR funding is anticipated to resume October 1, 2018 given current projections and availability of federal funds.
