Ismein Social Security Administration (SSA) ke labh bhi shamil hain. SSA ek vyakti ke paas asamrthata hone ka nirdharan karne ke baad masik bhugtan pradan kar sakti hai. Vikasatmak Asamrthata (DD) ki Paribhasha

Vikasatmak asamrthata ko Nebraska Revised Statute 83-1205 mein paribhashit kiya gaya hai, jismein iska arth hai nidan aur mahatvapurn seemaayein.

Nidan (Diagnosis)

- Mansik ya sharirik asamrthata ka kaaran ho, jo keval gambhir bhavnaatmak ya sthayi mansik rog ki wajah se na ho;
- Vikas kaal mein shuru ho (22 varsh ki umra se pahle); aur
- Jeevanbhar chalne wali ho.

Janm se 9 varsh tak ke bachche ka nidan aur vikas sambandhi vilamb ke aadhar par moolyankan kiya jata hai. Seemaaoon ke kshetra ka moolyankan nahi kiya jata. 9 varsh ke baad, DD yogyata nidan ke kaaran hone wali mahatvapurn seemaaoon ko dekhti hai.
