

Learn More About interRAI®

An opportunity for stakeholders to hear directly from interRAI.

What is interRAI? How are the assessments developed? What do they measure?

interRAI assessment systems are used across the United States and internationally to understand the needs, strengths, and preferences of people with intellectual and developmental disabilities.

You are invited to join interRAI US for an informational webinar to learn more about the organization and its assessment tools.

WHAT YOU'LL LEARN

Speakers from interRAI US will:

- Share the history and mission of the interRAI organization.
- Provide an overview of the interRAI Intellectual Disability (ID) Assessment for adults.
- Introduce the interRAI Child and Youth Mental Health and - Developmental Disability (ChYMH-DD) Assessment for children and youth.
- Address questions submitted in advance.

EVERYONE IS WELCOME!

You do not need prior knowledge of interRAI to participate. Whether you are an individual receiving services, a family member, guardian, provider, professional, or simply interested in learning more, this webinar is an opportunity to hear directly from the experts.

Thursday, December 10
