The instructions in this appendix apply when billing Nebraska Medicaid, also known as the Nebraska Medical Assistance Program (NMAP), for Medicaid-covered services provided to clients who are eligible for fee-for-service Medicaid. Medicaid regulations for chiropractic services are covered in 471 NAC 5-000.

CMS 1500 Claim Form Versions

In November, 2013, Nebraska Medicaid published implementation information regarding the revised CMS 1500 claim form (version 02/12). The transition timeline for dual processing and acceptance of ONLY the CMS 1500 claim form (version 02/12) may be found in that Provider Bulletin 13-75 at this site:

<http://dhhs.ne.gov/medicaid/Documents/pb1375.pdf>

Please note that on or after **April 1, 2014**, any claims received utilizing the older versions of the CMS 1500 claim form will be returned to the provider.

Claims for services provided to clients enrolled in a Nebraska Medicaid managed care health maintenance organization plan must be submitted to the managed care plan according to the instructions provided by the plan.

Third Party Resources: Claims for services provided to clients with third party resources (e.g., Medicare, private health/casualty insurance) must be billed to the third-party payer according to the payer's instructions. After the payment determination by the third-party payer is made, the provider may submit the claim to Nebraska Medicaid. A copy of the remittance advice, denial, explanation of benefits, or other documentation from the third-party resource must be submitted with the claim. For instructions on billing Medicare crossover claims, see 471-000-70.

Verifying Eligibility: Medicaid eligibility, managed care participation, and third-party resources may be verified from –

1. The client's permanent Nebraska Medicaid Identification Card or temporary Nebraska Medicaid Presumptive Eligibility Application. For explanation and examples, see 471-000-123;
2. The Nebraska Medicaid Eligibility System (NMES) voice response system. For instructions, see 471-000-124; or
3. The standard electronic Health Care Eligibility Benefit Inquiry and Response transaction (ASC X12N 270/271). For electronic transaction submission instructions, see 471-000-50.

CLAIM FORMATS
