CMS 1500 Claim Form Versions

In November, 2013, Nebraska Medicaid published implementation information regarding the revised CMS 1500 claim form (version 02/12). The transition timeline for dual processing and acceptance of ONLY the CMS 1500 claim form (version 02/12) may be found in that Provider Bulletin 13-75 at this site:

<http://dhhs.ne.gov/medicaid/Documents/pb1375.pdf>

Please note that on or after **April 1, 2014**, any claims received utilizing the older versions of the CMS 1500 claim form will be returned to the provider.

Claims for services provided to clients enrolled in a Nebraska Medicaid managed care health maintenance organization plan must be submitted to the managed care plan according to the instructions provided by the plan.

Medicaid policy for physical therapy services are covered in 471 NAC 17-000, for Speech Pathology and Audiology, in 471 NAC 23-000, and for Occupational Therapy in 471 NAC 14-000.

**Third Party Resources:** Claims for services provided to clients with third party resources (e.g., Medicare, private health/casualty insurance) must be billed to the third-party payer according to the payer's instructions. After the payment determination by the third-party payer is made, the provider may submit the claim to Nebraska Medicaid. A copy of the explanation of benefits, remittance advice, denial, or other documentation from the third-party resource must be submitted with the claim. For instructions on billing Medicare crossover claims, see 471-000-70.

**Verifying Eligibility:** Medicaid eligibility, managed care participation, and third-party resources may be verified from –

For an example and instructions on completing this form, see 471-000-79.
