Help **build healthy communities** by becoming a **Community Health Worker (CHW)**

This **FREE** online course has been designed for individuals working in communities who can connect people to health services. Participants will attain confidence and credibility in the communities that they serve along with general knowledge on health topics, communication and organizational skills.

Course Time Frame:

- **Tuesday, May 24, 2022:** Student Online Orientation
- **May 24 – June 28 2022:** 5 weeks Online Training Modules
- **July 6-7, 2022:** Virtual Trainings via Zoom
- **July 13-August 9 2022:** 4 weeks Online Training Modules
- **Aug 24-25, 2022:** Virtual Trainings via Zoom

The course will conclude in early December 2022 as you gain practical experience through implementation of a Community Health Worker Capstone Project.

Registration Deadline: Friday, May 20, 2022
