# Covid-19 Vaccine Registration Portal
How to Register for the Nebraska Covide-19 Vaccination

Step	Description
1.	To begin the Covid-19 registration process, click the https://vaccinate.ne.gov link.
2.	The registration homepage displays. Carefully read the information on this page, then click the **Proceed to Covid-19 questionnaire** button.
3.	As a protection against automated spam, you will need to type the characters that appear in the image on your screen, then click the **Next** button.

4.	Enter your contact information, including your physical address, email address and phone numbers. • The system will use your email address, mobile or landline phone number to reach you regarding your vaccination appointment. If you do not have an email address or mobile phone, ask a friend of family member. • You may also enter the DHHS Vaccine Hotline number (531-249-1873) or email address (dhhs.vacchotline@Nebraska.gov) and someone from your Local Public Health Department (LPHD) will make sure you are notified and have the information you need. **Note: Required fields have a red asterisk (*).**
5.	Enter your gender, race, and ethnicity. If you choose not to provide this information, please select the "**Prefer not to answer**" option in each of the drop-down.
6.	Enter your Date of Birth, then click the **Next** button.
7.	Complete the fields related to your current work status, allergies, military status, and vaccine history. Click the **Next** button to continue. • If you are or suspect you are pregnant, we encourage you to talk to your primary care provider. You can finish your registration now or after you talk to your provider. • If you have had an allergic reaction to a vaccine, we encourage you to talk to your primary care provider. You can finish your registration now or after you talk to your provider. • If you have already had your first dose of the Covid-19 vaccines, please select the applicable brand your received because your second dose must be of the same vaccine. • Enter the date of your first dose. If you are unsure of the exact date, get as close as you can to when you received it.

8.	Click the checkbox next to all the major health conditions that apply to your **current** state of health. • If you have more than one condition, please check as many as apply. These health conditions were identified by CDC; if you have a condition not listed that you believe puts you at greater risk, please consult with your primary care doctor. • If you do not currently have any of the health conditions listed, select None. Click the **Next** button to continue.
9.	You are now on the verification page. All of the data you entered on the previous pages display for you to review and approve. If the information is correct, click the checkbox in the **Attestation** section to confirm your information is accurate, then click the **Next** button. • You will not be able to change this information after you click the Next box. If you would like to print this information, please use the print function on your browser before selecting the Next button
10.	If there is an error in the information displayed, click the **Previous** button until you return to the page that contains the error. Fix the mistake and then, click the **Next** button until you return to the verification page.

	Click the checkbox in the **Attestation** section to confirm your information is now accurate, then click the **Next** button.
11.	The final page indicates you have successfully registered for the Covid-19 vaccine and provides information on your phase eligibility. ## Thank you Thank you for registering! You successfully registered to receive the COVID-19 vaccine. When it is your turn to receive a vaccination, we will email or text you with information on how to schedule your vaccination. The vaccine supply is limited, it will take time before the vaccine becomes available to people in your phase. We appreciate your patience. In the meantime, please continue to wear a mask, watch your distance, wash hands often, and stay home when you are sick. Avoid the 3C's – Crowded places, Close contact with others, and Confined spaces. You will also receive an email that contains this information. • If you do not receive the email within 24 hours, check your Junk folder in your email. If you still have not received your email, call the NE Vaccine Hotline at 833-998-2275 and they will assist you.
